Fifth Sunday of Easter

# ST. RITA CHURCH

*Joyfully living and sharing the Gospel of Jesus, we welcome, worship, inspire, and serve with love.*

## UNITED IN FAITH + COMMUNITY

### What was the request in Fr. Tim's recent letter?

Fr. Tim reintroduced the vision of United in Faith and Community - to increase Mass attendance, ministry participation, and regular financial support to ensure the continued long-term growth and success of St. Rita Parish. Fr. Tim's request was that we pray for and support each of these objectives.

### Is there a pledge card for increased financial giving like there was last year?

There is no blue pledge card this year - we kindly ask that our parish families prayerfully consider increased giving and, where possible, take the necessary actions as outlined on the back side of the letter. Our fiscal year runs from July 1 to June 30. It would be helpful if you could increase your gift before July 1, 2025. We are keenly aware that costs are rising for everyone and are grateful for your help to meet the increased expenses of St. Rita Parish.

### How can we help grow Mass attendance and ministry participation?

In addition to your regular presence at Mass, reach out and invite others to be part of the St. Rita community. Here are a few suggestions for helping to grow Mass attendance, ministry participation and to spread the Good News of Jesus Christ's saving grace:

We can talk to others about the importance of the Mass / Eucharist in our own lives.

We can contribute to making St. Rita Parish a warm, friendly, welcoming environment to all.

We can reach out to others - make a personal connection and let our witness and joy do the "talking".

We can be attentive to the needs of those who have either left St. Rita Parish or are unchurched.

Peace,  
Fr. Tim

Reflections on Readings for the Fifth Sunday of Easter

**"I Give You A New Commandment: Love One Another"**

In our readings for this Sunday, Paul's first missionary journey comes to an end with great success. Elders are appointed in each of the new churches. In the book of Revelation, John assures us again—"God's dwelling is with the human race and He will wipe away every tear". In our Gospel reading, Jesus issues a new commandment - to love one another as He has loved us—an old commandment with a new twist. In doing so, He underscores His unity with the Father (only God can issue a commandment).

**Our first reading (Acts of the Apostles 14:21-27)**

is evidence that the apostles took Jesus' new commandment of love to heart. Today, we hear about the end of Paul's first missionary journey to the Gentile world. Paul and Barnabas went from city to city, over great distances and enduring great hardships and persecutions, bolstering and sustaining their fledgling new communities of love. They appointed elders (priests and bishops) in each church. They were living examples of Jesus' selfless love.

**In our second reading (Revelation 21:1-5)**, John describes his vision of the end times with a "new heaven and a new earth" and the old heaven and earth would pass away. At this time, all of our suffering, tears, and trials will be wiped away. This is the time when the New Jerusalem will be like a "bride adorned for her husband . . . God Himself will always be with them as their God."

**In our Gospel reading (John 13:31-35)**, we listen in near the end of the Last Supper. This is the beginning of Jesus' farewell address to His disciples. Jesus knew what the others did not; His betrayal and impending death was to be His glorification. His teaching to His apostles at this moment was to give them a new commandment - a new way of living the mission. They had heard "love one another" before, but the new twist—"As I have loved you" was added. That's not an easy commandment to live, and yet they did—many of them to their deaths.

Today's Gospel passage is a wonderful opportunity to practice meditating on God's word. So consider this challenge: read today's gospel passage multiple times, each time meditating more deeply on its meaning in your life. What does it mean to love one another as Jesus has loved you?

Over the Jubilee Year, we will explore the themes of Hope, Pilgrimage, and Jubilee, always ending with a question for you to consider over the week.

The Jubilee year calls us to not only make right any strained relationships, but to also ensure any relationships we enter into are healthy and good. Jesus' command to love one another as He has loved us is how we can ensure we are in healthy relationships this Jubilee year and beyond.

**Pondering Point**  
How do I show my love to those I meet?  
How do I show my love to those I haven't met yet?

### A Message from your Parish Health Ministry Team

### Tips for a Safe Summer!

Summer is a great time to be outdoors and enjoy the beautiful sunshine!

Here are helpful tips to keep you safe.

- **Hot Weather:** Too much heat is not safe for anyone. Extreme weather can be dangerous for older adults due to the inability to adjust to sudden changes in temperatures as well as chronic medical conditions that affect the body's response to temperature.
  - **Stay Hydrated:** It is important to stay well hydrated. Eight 8oz glasses of water a day is suggested. Drinks with electrolytes, such as sports drinks, are also an option to replenish hydration.
  - **Avoid Alcohol & Caffeine:** Both are diuretics and cause an increase in urination that could lead to dehydration. Alcohol especially can increase the risk of heat exhaustion and heat stroke.
  - **Dress for the Weather:** Wear lightweight, light-colored, loose-fitting clothing. Hats with a larger brim and cooling towels around the neck are also great options to keep cool.
  - **Sunscreen:** Broad spectrum with UVA and UVB protection (SPF of 30 or greater) should be applied when spending time in the sun.
  - **Exercising:** Avoid exercising during peak temperatures. Early morning or late evening activities are better if you are exercising outside.
- \* Children playing sports outside should make sure to drink plenty of water or a sports drink to stay hydrated. Apply sunscreen and reapply as needed.
- **Pool Safety:** Always watch children in or near swimming pools or open water such as ponds and lakes. Use age-appropriate floatation vests for children.
  - **Food Safety:** It's BBQ and picnic time! Keep food cold, as bacteria will multiply quickly in the heat. It is important that food is not left out at room temperature for more than two hours. All perishable food should be stored in coolers and kept with plenty of ice when being served.
